YOUR INNER JOURNEY AS ENTREPRENEUR

Taking your business to the next level

Online Workshop

HOW

During three months you reach your own business goal(s) with a perfect mix of:

- **6 workshop sessions** facilitated by Dr. Ernst Bechinie and Dr. Nicole Helmerich, two experienced and certified coaches and facilitators
- a **success team** of three persons meeting around 6 times in between the workshop sessions
- **online** private and group **working space**

WHEN

Session 1: 6.5.2021 16-18 CET

Your present business and yourself

- Build trust and confidence for a journey together
- Pinpoint your strengths and success story of your present activity
- Define what makes you successful in your present activity

Session 2: 20.5.2021 16-18 CET

First ideas for your future business

- Describe your basic future business idea
- Show the benefits you bring to your clients
- Define the additional value you will bring with your services/products

Session 3: 10.6.2021 16-18 CET

Passion and heart for your business success

- What stops you from following your passion in your business?
- Create clarity how your activity is congruent with your passion and heart
- Describe your driving factors for making a change

Session 4: 24.6.2021 16-18h CET

Mobilise inner resources for change

- Understand and develop ways handling stress and insecurity
- Find and use your powers of resilience to overcome barriers

Session 5: 8.7.2021 16-18 CET

Leadership and relationships in your business

- Define your role as an entrepreneur and leader
- Reflect on the need to enlarge your team
- Find your supporters/mentors and enlarge your network

Session 6: 22.7.2021 16-18 CET

Make it happen

- Explore progress for what you have achieved
- Design "smart" goals and thinking for next steps
- Take commitment for your project
